CHIEF JUDGE'S STANDARD REPORT

Competition:	11 th European Style & Accuracy Landing Championships 2025 8 th Junior European Style & Accuracy Landing Championships 2025
Event:	<ul style="list-style-type: none"> • Team Accuracy Landing • Individual Accuracy Landing • Style • Junior Individual Accuracy Landing • Junior Style
Location:	KLATOVY – CZECH REPUBLIC
Date:	7 – 13. 07. 2025
Panel of Judges:	EJ Style – Sabine Kuchner , EJ Accuracy Gerhard Wagner Panel: Jara Michel Gunter Berndt Bruna De Paoli Jana Matejkinova Željko Prajz
Scoring Equipment Used:	AIRSHOOTS AUSTRIA for accuracy and SkyCam/Style Score system for the style jump. Works very good.
Details of the Judges Work: <i>(including judging statistics)</i>	Judges work was very professional and correct on both disciplines , / style and acc. The small number of judges also meant a large workload. For this reason, I propose a larger number for the next time, if two competitions are held at once, like this time EC and WCS. -Accuracy jumps total 1475 / 10 rejections-wind problem and 1 technical problem/ -Style jumps / 120 include training jumps/ - Because of wind condition, Rd#2 was interrupted. CJ change the wind limit to benefit competition. That was lack of time, and Rd#2 couldn't be completed during the time frame for competition.
Recommendations for Organisers:	-Congratulation to very high-quality completion preparation. -The accommodation for judges was fine. -The pilots team / AN -2 and helicopter / worked great and without any complains -The support team for the style and accuracy worked perfect.
