**1st - 9th OF AUGUST 2003
KIRCHHEIM UNTER TECK**

GERMANY

Bulletin 2

www.f3b-wm-2003.de

Local rules

Hand towing

In addition to rule 5.3.2.2 b) a(3) the rule 5.6.8.3 c) (F3J) will be applied for security.

Winch testing

For winch testing at the winch line during the world championship the rule 5.3.2.2 b) a(2) h) will not be applied.

Changed value

5.3.2.2 b) a(2) a)

510 amperes max. according to EN 60095-1 (10s/7,5V at -18°C)

Frequencies

Due to most various starting orders we want the teams to use only two different frequencies. Especially in 35 MHz please give us a range of possible frequencies, so we can select two of them for your team. You will be informed as soon as possible about which frequencies you will have to use.

Moreover we have to pay fees for all frequencies used by foreign competitors. Two frequencies for each team are free of charge. Additional frequencies have to be paid by the users, 50,00 € each.

Promotion

The teams are not allowed to promote any of their sponsors on the world championship area, except on their cars, planes, equipment and clothes.

Service

The batteries you can rent are:

Type Deta No. 56 318

Capacity 63 Ah

Cold cranking capability 300 A/ 510 A (DIN/EN)

Weight 15,7 kg

Size 278*175*175 mm

These batteries are used and charged a few times. So they will have a constant internal resistance. The fee is 30,00 € for each battery for the whole event.

Each team will have his own tent (6 x 3 meters).

The teams don't have to bring their national flags and anthems with them.

Different

Please provide all planes with the FAI specification certificates and stickers.

We will organise two guided tours to significant places for family members. As soon as we will have facts, we will publish them on the official web site.

Please give us the information asked in the biographical form for all team members. We also would like to have individual pictures of all team members. Please send them via e-mail as a .jpg file.

Bank account

Advance Bank München
Bank code 702 300 00
Account number 3 008 567 467
Swift code HALA DE HH

Contact

If you have any questions or problems, don't hesitate to contact us.
