IPC Delegate Germany

Dr. Rainer EXI Hoenle

IPC bureau mid-term meeting.

I propose to scrutinize the three IPC mid-term meetings of the IPC Bureau

- for the effect they created to the benefit of the sport.
- for being in compliance of what they are supposed to be needed for, i.e. decisions which cannot wait until the next Plenary Meeting.

Taking the IPC meeting in Dublin of the 28-29 issues reported 1/3 is procedural decisions, which can be made by e-mail (deposits refund), a good deal is SCWG-work all the way, the rest can be done in a half-day meeting before the Plenary meeting.

I propose, to stop the mid-term meetings for being too expensive and too inefficient.
