#### Motion to adjust travel reimbursements for International Officials

While the amount for intercontinental travel has been raised from 1000 Euros to 1500 Euros, 2 years ago, the amounts for travel within one continent and within the host country remained unchanged.

To adjust those three amounts to a new standard, I propose to determine all amounts new based on actual average calculations from 2010 of the judges, the jury members, the IPC Bureau members, specialists, facilitators, negotiators and whichever name you want to create, who had travel costs in 2010.

The finance working group will certainly be able to do that.
