03 Feb. 2011	2011/02/02	<p><b>Subject</b> Refund of deposit of €500 to Organiser of 62<sup>nd</sup> IPC Plenary Meeting, held 25 – 30 January 2011, at Bar, Montenegro.</p> <p><b>Details</b> The Bureau was satisfied that the Organiser had fulfilled all obligations in relation to hosting the 62<sup>nd</sup> IPC Plenary Meeting.</p>	<p><b>Bureau Decision</b> The IPC Bureau unanimously approved the refund of the deposit of €500 and authorised the IPC Treasurer, Richard 'Buzz' Bennett to arrange the refund with FAI.</p>
05 Feb. 2011	2011/03/02	<p><b>Subject</b> Clarification regarding changed IR 6.2.2, and addition to the rule.</p> <p><b>Details</b> IR 6.2.2 was changed at the 2011 IPC Plenary meeting, this change resulting in the abolition of the 'Advisor' status on Committees and Working Groups. The amended rule will allow all those on Committees and Working Groups to be regarded as 'Members', with all having voting rights. The amended rule states that any Member of a Committee or WG may serve as a Member of no more than two other Committees. The Secretary of the SCWG, Richard Buzz Bennett has drawn the attention of the Bureau to the fact that whereas the old rule stated that the Chair of a Committee could not be a Chair of a second Committee, such restriction was not carried forward in the amended rule 6.2.2. R. Bennett requested the Bureau to clarify the position and insert the following wording into the amended rule 6.2.2 – <b>'The Chair and Deputy Chair of an IPC Committee may not be the Chair or Deputy Chair of another IPC Committee'</b>.</p>	<p><b>Bureau Decision</b> The IPC Bureau unanimously agreed to this clarification and to the insertion of the additional wording into 6.2.2.</p>

31 Mar. 2011	2011/06/03	<p><b><u>Subject</u></b> The necessity, or otherwise, of holding of a Mid-Year Bureau Meeting in 2011.</p> <p><b><u>Details</u></b> The Bureau discussed whether a Mid-Year Bureau Meeting should be held in 2011. As FAI's plans to levy Air Sports Commissions are being proceeded with (see minutes of FAI FRTF (Finance and Reporting Task Force) meeting of 28/29 January 2011), with the next FRTF meeting scheduled for 05 May 2011, it is believed that FAI would have a proposal ready for its General Conference in October 2011. A levy on ASCs would have a very big financial impact upon IPC and its ability to use the funds it generates through its activities. Bureau members requested the IPC President to convene a Mid-Year Bureau Meeting, in light of the seriousness of this FAI move towards imposing a levy on ASCs. The Bureau unanimously agreed that it was necessary to meet, to discuss and to develop a strategy regarding this matter. The Bureau further agreed that in the event of such a levy being accepted at the FAI General Conference, IPC must have strategies and options worked out, which would be put to the IPC Delegates at the 2012 Plenary meeting, to deal with such a situation.</p>	<p><b><u>Bureau Decision</u></b> The IPC Bureau agreed unanimously that a Mid-Year Bureau Meeting should be held in 2011. It was further agreed that 08/09 August 2011, in Lausanne, would be a suitable time and place, as IPC would have the minutes from the May FRTF meeting, could put any questions the Bureau might have to the FAI Secretariat, and also would be in good time to discuss, develop and later finalise strategies and approaches for the FAI GC.</p>
